International Women's Day celebration at @ Rosebud

All of us at Rosebud were saddened to have lost our dear friend Clarissa Hurst last month after a long illness.

Clarissa was a beautiful and sweet young woman who made a lasting impression on everyone she came into contact with at Rosebud and in other areas of her life. Clarissa was a brave young woman and her story serves as an inspiration for many others at Rosebud who are experiencing challenges.

Clarissa's funeral service will take place at 10am on 17th April at St. Peter's Church, Bexleyheath.
