

NEWS FROM THE ROSEBUD CENTRE

Weaving Together Art Project

Last month, Rosebud was lucky to team up with the Greenwich + Docklands International Festival for a collaborative weaving workshop series (Sociable Weaver) led by artist Natanya Mark. This workshop only required us to use a few items around the house, such as different coloured plastic bags, egg crates, butter plastic, pencil or a long stick. Despite having to do the workshop online we are all having a great experience learning how to weave and even though some of us, we were not able to see the final results in person, the installations looked beautiful. They are freely accessible to all and we hope it encourages positive community actions.

Eid Al-Adha

Eid Al-Adah is an event that is celebrated in the last ten days of the 12th month of the Islamic calendar. During this period millions of Muslims are required to take part in the holy pilgrimage to Hajj whereby they take part in many activities.

To all the Muslims at Rosebud and around the world Happy Eid Mubarak, we hope you all enjoyed your day with the food and with your families and loved ones.
