Happy Easter!

We have another reason to celebrate! Easter festivities are in full swing worldwide and events at Rosebud are no exception. We celebrated this year's Easter holidays with a special Cookery Club workshop, collaborating with local artisans and caterers Tea Boutique to create some delightfully delicious treats, while learning new skills! The workshop took place during the school holidays allowing the RosePetals (under 10s) to take part - this provided us more time to run the intensive baking workshop making sweets and cupcakes. The celebration of Easter is also echoed in our other planned activities and workshops including Personal Development, Jewellery Making, Makeup and Beauty as well as Creative Media.

RoseGarden

Saturday 27th June 2015

12noon - 4pm

Our quarterly workshop session for parents of teenage girls will take place next on Saturday 27th June 2015.

We are pleased to report that our Rose Garden workshop scheduled for 28th March 2015 was a very successful one. We were joined by parents of Rosebud service users, new and old to discuss key issues affecting young girls today, and share support strategies crucial to the complex journey of motherhood.
