SATURDAYS & SUNDAYS:

Closed

Away In The Sun

Our summer workshops are now in full swing and while we are enjoying the various workshops in Life Skills, Performing Arts, Music and Cookery, we are very much looking forward to the residential trip away. With the fabulous location of Malt House in Kent, the residential will be an intensive Personal Development period for us, but will also be a nice holiday in the English countryside.

As well as workshops and daily activities such as feeding chickens, picking strawberries and swimming, we are looking forward to exploring the local area and learning more about the community in Sittingbourne.

During the residential week away (10th - 16th August 2015) the Rosebud centre will still be open and will welcome service users with activities such as film screenings and Fashion Design workshops.

Summer Wrap Party

Our summer programme is running Monday - Friday throughout the summer weeks from Monday 20th July - Friday 28th August. We will be wrapping up the summer with an outdoor BBQ Party on Saturday 29th August, which will feature performances, live music and other forms of entertainment.

RoseGarden

Mothering Our Daughters is back in September. We hope see to all mums on Saturday 26th September 2015 (12noon - 4pm)

Quote of the Month

"My idea of beauty is somebody that doesn't have to try too much, someone who is effortless and fresh."

Jessica Ennis (Gold Medalist)
