SATURDAYS:

RoseGarden &
End of Year
Celebration
5th December 2015
12noon - 4pm

So it's Christmas Time Again!

It is that time of the year again: Christmas time! A time to love, share, celebrate and be merry. As we are due to host a RoseGarden workshop with parents on 5th December, we will combine this session with our annual party. We welcome donations from guests and parents.

Last month was another fantastic period at Rosebud, with a continual flow of activities ranging from an introduction to self-defence, to confidence building, to hair and beauty. In November we also celebrated the birthday of the Listening Ears founder Toyin Ogunbanjo.

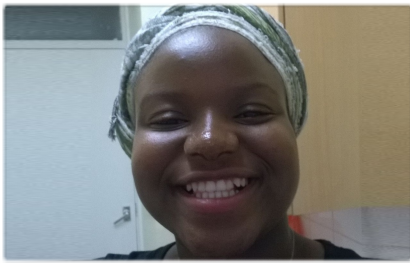

This month, we will be working in partnership with Shooters Hill for a workshop on makeup, beauty and skincare. This session will take place at Rosebud Centre on Monday 14th December from 4pm - 5.30pm.

During the holidays no workshops will hold at Rosebud from 21st December 2015 to 8th January 2016.

Youth Council

In this issue, we would like to introduce you to a member of the Youth Council Leadership Team. Zainab Saka is 15 years old and aspires to be a neurosurgeon. Zainab's message is: *"Rosebud girls can do and will do."*

RoseGarden

Mothering Our Daughters workshop is back for the last time in 2015 on Saturday 5th December from 12noon to 4pm.

Quote of the Month

"The power you have is to be the best version of yourself you can be, so you can create a better world."

- Ashley Rickards
