BBC Presenting Challenge!

Rosebud Centre for Girls was invited to visit the Radio 1 and 1Extra studios in their new state-of-the-art building in central London. The visit took place during the May half-term week, and 11 girls were the lucky few able to attend. The girls were given a tour of the hi-tech studios, with an introduction to the equipment and controls of the studios. The girls were also given the opportunity to go on the mic to introduce their current favourite songs in the charts. All the girls took on the challenge and produced impressive intros, which is available online on www.youtube.com/RosebudCentre

June Events

This month, we are eagerly anticipating our day to to Essex to visit our Young Mentor Destiny Dalby. To celebrate her birthday, we will be learning how to scuba dive. June will also see the start of a six week Fashion Design workshop led by Marcia Morgan. We are hoping to host a fundraising fashion show subsequently.

RoseGarden

Mothering Our Daughters is back this month! We hope see to all mums on Saturday 27th June 2015 (12noon - 4pm)

Quote of the Month

"Luck has nothing to do with it, because I have spent many, many hours, countless hours, on the court working for my one moment in time, not knowing when it would come."

(Tennis world champion)

Following the exciting visit to the BBC Radio1 studios, several of the Rosebuds have expressed a keen interest in Radio and Television presenting, and creative media participation through film or sound. Rosebud is currently planning to start a weekly Radio Broadcasting programme to meet this need. **Watch this space!**
