## Goodbye Summer, Hello Autumn!

We can't believe that summer is already over. The six weeks away from school has swiftly flown by and our girls are now dusting off their school books again. We have had a fantastic and varied summer programme, with the residential week away being the definitive highlight of the summer.

During the residential, we enjoyed various activities such as swimming, relaxing in the hot tub, watching movies, cooking, baking cakes, taking a walk in the countryside, fed chickens, picked fresh berries, learnt crucial survival skills, independent living skills, pitching a tent and learning how to live and work together in peace. The residential week went by much too fast and we cannot wait for the next one. We would like to thank the parents that made donations towards the trip.

## Partnership & Open Day

Rosebud Centre for Girls will be partnering with the National Citizen Service to launch a fundraising community event. We will be working closely with Team Perham from NCS Greenwich wave 9, who are keen to support Women's Empowerment. The event day is Saturday 26th September 11am - 5pm.

## RoseGarden

Mothering Our Daughters is back in September. We hope see to all mums on Saturday 26th September 2015 from 12noon to 4pm

## Quote of the Month

"The woman who follows the crowd will usually get no further than the crowd. The woman who walks alone is likely to find herself in places no one has ever been."
